About Mid-Shore Pro Bono

Mid-Shore Pro Bono, Inc. (MSPB) is a nonprofit organization that connects people with limited resources to legal representation for civil matters. Our mission is to connect individuals and families in need of civil legal help with volunteer attorneys and community resources. Our vision is that all people are empowered to resolve civil legal issues. MSPB connects over 3,000 clients on the Eastern Shore of Maryland with legal representation every year. MSPB is based in Easton, Maryland and has a satellite office located in Salisbury.

MSPB serves eight counties on the Eastern Shore of Maryland (Kent, Queen Anne's, Talbot, Caroline, Dorchester, Wicomico, Worcester, and Somerset). The areas of law practiced through MSPB include family law, landlord/tenant, life planning, and economic stability, such as foreclosure, bankruptcy, consumer debt, and criminal record expungement.

MSPB clients must meet income eligibility guidelines provided by the Maryland Legal Service Corporation (MLSC).

Maryland Rule 19 requires the establishment of a local pro bono committee and creation of a local pro bono action plan for each county. The Mid-Shore counties (Caroline, Dorchester, Kent, Queen Anne's, and Talbot) have coordinated their efforts since 2005 through Mid-Shore Pro Bono, Inc. In 2019, each county bar association and administrative judge entered into agreements designating Mid-Shore Pro Bono, Inc. as the convening entity for the Mid-Shore Regional Pro Bono Committee.

In September 2020, Mid-Shore Pro Bono held the first annual meeting of the Mid-Shore Regional Pro Bono Committee virtually. In May 2022, the Mid-Shore Pro Bono Committee convened in Easton, and the group decided to rotate the meetings location each year to engage a variety of local stakeholders. This year, the meeting was held in Dorchester County, hosted by the Honorable Judge William H. Jones of the Dorchester County Circuit Court.

This meeting is a perfect forum to discuss opportunities for pro bono service to meet emerging legal needs in the community, particularly considering the many ongoing legal challenges faced by people with limited means resulting from the pandemic. Through the Mid-Shore Regional Pro Bono Committee, both bench and bar can craft a plan to meet the need, working with the various legal services providers that serve our counties such as Mid Shore Pro Bono, Inc., Maryland Legal Aid, Mid Shore Council on Family Violence, and Maryland Volunteer Lawyers Service.
